

THE CITY OF CORNING WANTS TO HELP WITH THE COST OF SPAYING/NEUTERING YOUR DOG!

Your dog must have a current rabies certificate, and a City of Corning Dog License. You can get the license at the City Finance Department located at 1108 Solano Street.

The voucher will only pay for the first \$70. You'll have to pay any extra costs.

You must live in the City of Corning.

Vouchers are available now.

Call Laura at the Corning Police Department, 824-7015.

MYTHS ABOUT SPAYING AND NEUTERING

Just one litter won't hurt.

One female dog and one male dog and their offspring can produce **67000** puppies in **6** years.

My dog is cute and unique; there should be more of him/her.

Animal shelters are full of cute and unique dogs.

A female dog should have at least one litter for health reasons.

Not True!

Neutering my dog will make him fat and lazy.

False!

My dog is a purebred.
